

VISHAL R

Aspiring Insurance & Risk Professional

✉ vishalramesh570@gmail.com ☎ 8220204380 📍 Trichy, Tamil Nadu

📅 2004-11-28 🏳️ INDIAN

PROFILE

Aspiring actuary, seeking for opportunity and deeply curious about how risk and uncertainty are handled within the insurance industry. My interest lies especially in the analytical aspects-analyzing data, recognizing patterns, and developing models that facilitate better decision-making. In addition to my studies, I have also delved into practical actuarial ideas through personal projects, such as contrasting traditional and machine learning techniques for reserving in health insurance.

EDUCATION

BSc. Actuarial Mathematical Science, Bishop Heber College, Tiruchirappalli 2022 – 2025
Passing Percentage: 70%

HSC, Bishop Heber Higher Sec School, Trichy. 2021 – 2022
Passing Percentage: 55.5%

SSLC, Bishop Heber Higher Sec School, Trichy. 2019 – 2020
Passing Percentage: 60.1%

SKILLS

- MS Excel
- MS Word
- MS Power Point
- R Programming
- Time Management
- Team Work
- Adaptability

CERTIFICATES

- Licentiate in Insurance
Institute of India (III), 2025

LANGUAGES

English

Tamil (Native)

French (Basic)

PROJECTS

"The Future of Insurance Reserving: Traditional vs Machine Learning"

The goal is to evaluate and contrast the effectiveness of traditional actuarial reserving techniques with modern machine learning methods for predicting insurance claim reserves, with the intention of identifying potential improvements in accuracy, efficiency, and the decision-making process involved in reserving.

Interests

- Actuarial Modelling & Insurance Analytics
- Health and general insurance reserving techniques
- Data Analysis & Visualization
- Learning & Development
- Financial Risk & Market Trends

Declaration

I hereby declare that the information given above is true to the best of my knowledge and belief.
